**AMR Management Services Welcomes NurseTRUST as new Client-Partner**

LEXINGTON, Ky. (August 2, 2022) — AMR Management Services, a Kentucky-based association management firm, welcomed NurseTRUST as a new client this week. NurseTRUST joins more than 25 other national and international associations that have selected AMR as their association management partner.

NurseTRUST is a 501(c)(3) membership organization created in 2017 by alumni of the Robert Wood Johnson Foundation Executive Nurse Fellows program. Now open by nomination to nurse leaders across the country, the association's mission is to engage nurses in life-changing leadership experiences.

"We wanted to work with NurseTRUST because their mission will have a positive and lasting impact on the nursing profession," said Nick Ruffin, CAE, President and Chief Executive Officer for AMR Management Services. "The relationship with NurseTRUST is clearly aligned with our goal of *'helping associations change the world'* and are excited to support them."

"We chose AMR as our association management partner because they have the expertise, infrastructure, and expert staff to help us achieve our goals," said Mary Kay Vandriel, FACHE, NurseTRUST President. "As a young organization, we know it is important to choose partners that closely align with our culture and future vision, and AMR does just that."

**About AMR Management Services**

AMR Management Services provides professional services to a variety of local, regional, national and international nonprofit trade associations, professional societies and foundations. Core services include association management, education and events management, financial and membership management, marketing and creative services, and data and technology management. More than 25 national and international organizations rely on AMR for full-service association management expertise. To learn more, visit [AMRms.com](http://AMRms.com).

Association management companies like AMR specialize in managing associations and non-profit organizations, providing leadership and professional management services through experienced staff, best practices and shared resources. As AMCs manage multiple association and non-profit clients, their experience and knowledge base are broad and substantial, positioning AMCs as the preferred choice for full-service and specialized management services.

### **About NurseTRUST**

Through adding unparalleled values based on trusted and collaborative relationships, NurseTRUST aspires to intentionally advance healthcare to improve health and to inspire and equip nurses to lead courageously. A 501(c)(3) membership organization, NurseTRUST was founded by alumni members of the Robert Wood Johnson Foundation Executive Nurse Fellows program and is now open to nurse leaders who share a passion for the NurseTRUST mission to engage nurses in life-changing leadership.

Benefits of NurseTRUST membership includes participation in the Annual Summit, TRUSTed Conversations, new E3 Fellowship Program, and the opportunity to connect year-round with a network of nurse leaders. To learn more about NurseTRUST, visit [nursetrust.org](http://nursetrust.org).
